

SEKH ASIF SOHAL

New Delhi • +91-9315012188 • asifsekh117@gmail.com • [GitHub/SEASIL](https://github.com/SEASIL)

EDUCATION

Delhi Skill and Entrepreneurship University, Ambedkar Campus	Oct 2023 – 2026
• Bachelor in Computer Application	East Delhi, India
Rajkiya Sarvodaya Bal Vidyalaya, Gandhi Nagar	May 2023
• CBSE Science & Computer Science	Delhi, India

COURSEWORK / SKILLS

- **Programming Languages:** Python (Advanced), SQL, C++, Java, Bash/Linux Shell
- **AI/ML & Data Science:** Machine Learning, Deep Learning, Generative AI & LLMs, Retrieval-Augmented Generation (RAG), Data Engineering, Feature Engineering, Math & Statistics (Linear Algebra, Calculus, Probability)
- **Libraries & Frameworks:** PyTorch, TensorFlow, Scikit-Learn, Transformers (Hugging Face), Pandas, NumPy, Vector Databases (Pinecone, Chroma)
- **Tools & Deployment:** Docker, Kubernetes, MLOps Tools (MLflow), AWS/Azure Cloud Services, Git/GitHub, FastAPI/Flask
- **Core Competencies:** Analytical Problem Solving (Debugging Model Hallucinations), Technical Communication, Cross-functional Collaboration, Rapid Adaptabilities

PROJECTS

AI Interview Training System Python, Streamlit, Gemini API, OpenCV, NLTK, TextBlob GitHub Live Demo	Apr 2026
• Architected a real-time interview tool integrating OpenCV for emotion detection and Gemini 1.5 Flash for generating STAR-method performance reports.	
Handwritten Digit Recognizer Python, TensorFlow, Streamlit, Plotly GitHub Live Demo	May 2026
• Developed a 4-layer CNN in TensorFlow/Keras achieving 99.2% accuracy on MNIST, featuring a real-time Streamlit drawing canvas and Plotly data visualizations.	

INTERNSHIP

Codec Technologies (AICTE Approved & ISO Certified)	Apr 2026 – May 2026
Artificial Intelligence Intern – Hybrid	India
• Executed end-to-end ML workflows including data cleaning, Min-Max scaling , and feature engineering; optimized model performance via GridSearchCV and k-Fold cross-validation to improve generalization across CNN-based image recognition and NLP pipelines.	

EXTRACURRICULAR ACTIVITIES

- Cyber Hub Club, DSEU: Core Member - orchestrated campus technical events and promotional design.
- Industrial Ideathon 2025: Participant - pitched technical solutions for urban air pollution monitoring.
- Khabre Vidhyarthi Media: Photography Team Head - led event coverage and social media curation.

CERTIFICATIONS

- AI Internship Certificate – Codec Technologies (AICTE) | [View](#)
- Letter of Appreciation – Khabre Vidhyarthi Media Organization | [View](#)
- Certificate of Appreciation – Independence Day Cultural Event, DSEU | [View](#)
- Industrial Ideathon 2025 – National Institute of Technology (NSUT), Dwarka | [View](#)
